

Potter League for Animals  
Board Meeting Agenda  
12-15-20 5:00pm

Welcome

Consent Agenda

Introduce New Board Members

Introduce new Chief Mission Officer

Discussion of role and Brad's title change to align.

Auditors annual report – Our auditors will be present to discuss our audited financials.

DEI Statement discussion and approval

Capital needs at shelter and Clinics

Shelter HVAC Controls – The shelter's building controls are not functioning properly requiring supplemental heat in several places and making some animal spaces unusable. Our system replacement plan had predicted controls would last until 2024, but there is a more immediate need.

Shelter Office Space- We are out of space and some spaces are shared that were not meant to be. We would like to construct a wall at the back of the training center to create new office space. We plan to apply to the Champlain Foundation for the project in January, which would result in a June start date.

PIN/Spay/Neuter move – We knew when we acquired the PIN clinic that their lease was coming to an end in March. We can extend the lease monthly, but are looking at spaces where PIN and Spay/Neuter can be combined into one space. We are negotiating with one potential landlord, but may need to look at additional options. The build out will come at a cost, but we would recover some expense from the sale of the spay/neuter building. We will discuss

PIN Advisory Council Approval

When we took over the PIN Clinic, we agreed that we would maintain an advisory group of primarily veterinarians. The following are recommended for that group for approval. We will also assign a board member liaison to the group.

Dr. Hank Weitsma – Owner Coventry Animal Hospital (co-founder and former chair of PIN)

Dr Gary Block- Owner Ocean State Veterinary Specialties

Dr Scott Marshall- RI State Veterinarian

Dr Dave Sweet – Board Certified Veterinary Surgeon

**Submitted by Erin O’Gara Dollard**

**Program Partnership Opportunities 2021**

Due to the pandemic and our limitations on in-person gatherings, we have redesigned our corporate sponsorship packages for 2021. All sponsors have the opportunity to select from a broad range of program specific options with benefits ranging from media inclusion, on-site marketing placement at each of our 3 facilities and brand recognition determined by their level of support. We were careful to upgrade each opportunity and provide sponsors with involvement in special programs and services both internally and in the community. We have not determined which of our events will be actual in-person, virtual or a high-bred of some kind, but sponsors will have their preference on how best to support the Potter League and their philanthropic interests. (The 2021 Program Partnership Opportunities package is uploaded in the Board portal.)

**Grant & Foundation Update**

We received notification from the van Beuren Charitable Foundation that we will receive \$40k for general operations and technology upgrades. We received \$40k in renewed support from the Rachel Ray Foundation for general operations. Current outstanding grant applications are Royal Little Family Foundation (\$2,500 General Operations), Betty Bryne de Zahara Charitable Trust (\$2,500 General Operations) and Sophia Piel Dawson (\$10k General Operations) and the Cassie Medical Fund (\$20,000). We are confident these will be realized by year-end. Any information on foundations and trusts to consider, please contact Erin directly.

**FY21 Direct Mail/Digital Campaign Update**

Our holiday and year end campaign is underway and showing promising results. Between 11/1/2020 and 12/9/2020 we have had 538 donations raising \$32,485 average gift of \$60.38. Last year during the same time period we had 586 donors and raised \$37,414 average gift of \$63.85. While totals this year are slightly behind we are on budget for meeting our year end goal.

Since we know that an estimated 30% of giving occurs in the month of December and 10% takes place during the last three days of the year alone our direct mail and digital program this year is designed to make the most of this charitable window. The tested and proven direct mail piece was mailed to a larger group of donors to make sure we go deeper into our file and try reactivate as many donors as possible the last month of the year. Our digital efforts included emails for Giving Tuesday and homepage slider and lightbox for the month of December and emails from December 28 through 31. A report on over-all giving results will be shared mid-January.

**Bloomerang Initiatives**

Since our database conversion staff has strengthened our calling efforts to include reaching out and thanking all First-time Donors within 48 hours of their donation. Tasks are also assigned to Brad to call all donors making a significant gift of \$500+ to personally thank. Other calls are made to “special friends” on a regular basis to thank, cultivate or solicit. In conducting these calls, we have the opportunity to share pertinent information with our donors. We receive valuable feedback on our programs and services and offer the Potter League as a resource for animal welfare related issues for our supporters.

**Virtual Heart & Sole Walk/Run for Animals**

Our first virtual Walk for Animals was a success raising over \$65,000 representing 72% of our budgeted revenue goal of \$90K. While we did not have the 350 plus registrants we would typically see at our event, 150

of our most loyal fundraisers in a virtual setting. The Vendor Village featured on our website was an added element with over 30 businesses participating. Our social media efforts increased dramatically with a week of online contests leading up to our virtual event day to engage people over a longer period of time and encourage them join the one-hour event at the shelter. Many fundraising walks planned for the spring of 2021 going virtual through the summer. We are currently researching venue options and making plans for a live event in 2021 and are considering Ft. Adams as a new location for the event.

### **Love Bash for Animals Campaign 2021**

Given we are unable to host an in-person fundraising event in March we will be taking a different approach and pivoting to a direct mail campaign. The Campaign will also include a small-scaled mission-driven on-line auction, our annual PS I Love You Pet Photo Contest and personal solicitations of past supporters and sponsors. The PS I love You Photo Contest will run from February 1<sup>st</sup> to March 8<sup>th</sup>, the top 11 entries will gain placement in the 2022 Potter League Calendar. We are planning to launch the direct mail campaign in early March and the online auction the week of March 20<sup>th</sup> for 3-4 weeks. We are also seeking a match to further entice giving to this campaign. Our revenue goal for this campaign is \$125k.
