BE KIND TO ANIMALS WEEK

POSTER CONTEST 2023

Potter League

14th ANNUAL “BE KIND TO ANIMALS WEEK” POSTER CONTEST!

2023 THEMES

Responsible Care for Pets

Pets deserve to be in homes with loving families that keep them healthy AND happy. Responsible owners make sure their fur babies have the right food, fresh water, a safe and warm bed. What else do pets need? Winning entries will display pets getting the love and care they need.

Wildlife Tales: True or False?

One of humans' favorite past-times is telling stories featuring the wild animals around us. But these stories often make gentle creatures out to be beasts, while true dangers are disguised as pleasant critters. Ponder the stories you've heard about wild animals and reflect on how you perceive them. Winning entries will highlight wildlife myth versus fact.
